# 2014 INCENTIVE GIFTS

This catalog offers you over 300 items, suitable as premiums, promotional gifts, end of year gifts or just as a special treat for your clients or staff.

From the latest in technology to practical items for every-day-life, you will find items that suit any occasion or commercial purpose.

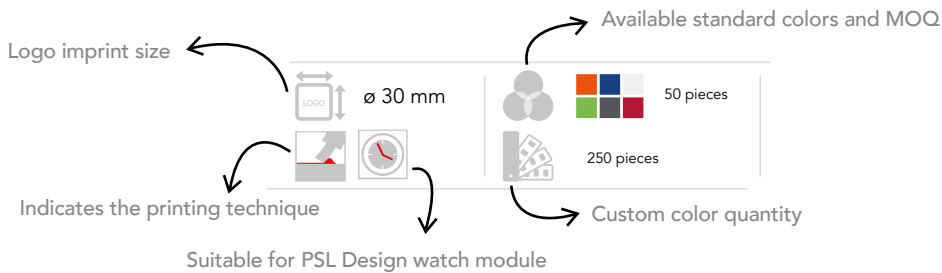

The items marked with the PSL Design logo are patented design items that you won't find anywhere else. Next to this the collection has been produced following the ISO9001:2008 and ISO14001:2004 norms, our dedication for quality and sustainable production.

Let this catalog inspire and assist you to create or improve your brand awareness and loyalty.

**BE ORIGINAL, GET NOTICED!**

# AWARDS

Over the last few years the passionate work and unique skills of our PSL design centre has resulted in acknowledgements all over the world.

Several items have been awarded for being truly innovative and proved to be real profit generators.

# INSTRUCTION VIDEOS

Some items cannot be put in to words. This is why we have a Youtube account (<http://www.youtube.com/innovationisourdrive>) where you can check out our instruction video's.

# BATTERIES

All products shown in this catalog are delivered including batteries (if required).

# SPECIAL PROJECTS

Affiliated factories offer the flexibility and possibility to customise catalogue items or to create bespoke items. With decades of experience in setting standards in the technology and production of both electronics and watches, these factories have been developing successful tailor-made items for many well-known companies. Items that are desired by a wide audience, yet still accessible for your company to create. Please contact us to discuss your customisation opportunities or special project possibilities!

## CSR

Corporate Social Responsibility (CSR) is essentially about doing good and doing well. We all have a duty to be socially and environmentally responsible not only in private life but also in a corporate structure. The collection shown in this catalogue complies with the ISO14001:2004 standard and our affiliated factories have passed the SA8000 factory inspection.

# PACKAGING

First impressions count!  
And with a gift that is no exception,  
so your gift box deserves some attention.

We offer our products in a standard white box. But to go the extra mile we can customize the standard packaging with your own design.

Interested in a decorated gift box?  
Please contact us for the possibilities!
