Wireless

Computer
Accessory

Foldable

why is our foldable wireless mouse better?

We use only the best components in our MS1829 to ensure it meets our highest standards. Ergonomic design provides comfortable use. Ingenious foldable design converts it into a compact size that is perfect for travel. Strong metal shaft is used for the folding mechanism. ABS plastic material. 2.4GHz, 2 way transmission technology with an operating range up to 30 feet. Top IC chip (3065XY) & RF solutions (89P1-E) within the wireless industry - a true 2-in-1 chip with an optical tracking DPI

switch & indicator that adjusts the speed (800/1200/1600) for accuracy. Extra strong infrared sensor that passes through any rough surface. Plug and play nano receiver fits into the body of the mouse. Windows PC and Mac compatible. 2 AAA alkaline batteries (included). Battery status indicator. Low battery consumption with both manual and auto shut down feature to conserve battery life.

MS1829 Full-size foldable wireless mouse

When you buy from Tomax,
you can have the confidence
that you are giving
the best to your clients.

Innovation

We were the first company to introduce e-sample what is known in the industry as the virtual sample. We have been consistently leading the industry in terms of technology and design.

Quality

What sets us apart from other suppliers is that our primary factories deal directly with retail channel, which grants us the ability to sell brand quality promotional products. We pride ourselves in offering brand name reliability, quality and safety.

Experience

Tomax is a privately owned business located in Los Angeles, California. Our experience in the promotional industry started since 1982, and we were founded in 1990.

Let's boost
your brand!
