PRODUCT INFO

Introducing the Lariat Power Bank, a sleek and powerful solution for your charging needs. Lariat's 10,000 mAh capacity ensures your devices stay charged on the go, providing multiple charges for your device. Its built-in retractable cable with both Lightning and Type-C connectors eliminates the need to carry multiple cables. The digital power display lets you easily monitor the remaining battery level, ensuring you never run out of power unexpectedly. The Lariat combines convenience, efficiency, and modern design in one compact device, perfect for travelers and everyday use alike.

(Please note that while both colors are compatible with screen imprint and full color process, only the black version supports laser engraving)
