

QC2288

Arcadia, 7700 mAh Wireless Power Bank with TWS Earphones
 Arcadia is a MagSafe-compatible power bank built for more than just charging. With 22.5W Type-C output and 15W wireless output, a folding stand with hidden Bluetooth earphone storage, and a digital power display, it delivers smart functionality in one compact form. Available in black with an illuminated imprint area or in classic white for a clean, modern look.

PRODUCT INFO

Designed for seamless everyday carry, Arcadia combines high-performance charging with smart functionality. Delivering up to 22.5W output through its Type-C port and up to 15W via wireless charging, it keeps your devices powered quickly and efficiently, while the integrated folding stand doubles as a protective cover that reveals built-in storage for Bluetooth sleep-ergonomic earphones. A clear digital display keeps battery levels visible at a glance, and the black version features an illuminated imprint area for standout branding. Compact, versatile, and thoughtfully engineered, Arcadia is power and personal audio in one refined solution.

- Prop 65 certified
- UL Lithium-ion Polymer battery
