PRODUCT INFO

Say hello to the Epitome, a portable mini fast charging 10,000 mah power bank. All the popular and convenient functions that people love in power banks are included in this pint-size package: Charge your phone at a blazing speed with the built-in Lightning and type-C cables. The type-C cable itself is sturdy enough to also double as a carrying loop. Every Epitome is equipped with a USB and type-C port for extra charging option. Easy to see how much you still have in the bank with the clear digital display. Whether it's for work, travel, or just day-to-day living. Epitome will be a fantastic addition to add to your list of daily essentials.
